the Training & Skills home page you will need to close the new window by clicking the X in the top right corner (rather than using the Back button) Internet Explorer: An Introduction

Internet Explorer An Introduction - Intranet home

The School Library Skills Continuum, as it appears here, is not a curriculum that schools are expected to adopt, but rather a guide which will act as a catalyst for each school staff as it develops its own library program. Since each school has its own needs, the library resources and the library program utilizing these resources must develop as a direct reflection of the school's expressed ...
