the relationship between internal and external audit - another study with a relevant contribution at the researching of the relationship between internal and external audit was conducted by reinstein a., lander g.h. and gavin t.a. (1994). **introduction - ambassador bridge** - the 1920s inspired those with courage or hard cash (or connections to it) to forge a world that only superlatives could describe. the "war to end all wars" was won, and the powers of politics, science and industry to erase mankind's other ills were in evidence:
