how to distinguish a flatterer from a friend - maximus of tyre how to distinguish a flatterer from a friend translated by thomas taylor in the dissertations of maximus tyrius (1805), dissertation iv. **whether injuries are to be returned - platonic philosophy** - maximus of tyre whether injuries are to be returned translated by thomas taylor in the dissertations of maximus tyrius (1805). taylor's notes have been **the 'early plays' of shakespeare?** - **petermatthews** - the word 'perreche' has been translated as 'marry', but roberto admits, there is no english word that would do this sentence justice. 'marry' has the inference of a relationship, but in this
