oxford canal line - oxfordshire** - the more direct grand junction canal - now the grand union canal.
the oxford canal escaped large-scale development and the southern section, opened in 1790, is
particularly charming and remains largely unaltered. whilst the coming of the railways in the
1840s and the gradual decline in commercial traffic almost caused the canal to close, its
future was secured by committed supporters and ... **free truly scrumptious baby my complete
